

We call fowl!
168 countries include
gender equality in their
constitutions and
we should too!

**Nothing to crow about...
COVID-19 has erased
decades of women's
gains in the workplace.**

**Makes me quackers!
Discrimination based
on gender is not treated
like race/religion!**

**Not owlsome:
America's gender
equality gap won't close
for over 200 years.**

Bird on the street is gender inequality costs us over \$2,000,000,000,000 (trillion) per year!

The Equal Rights Amendment covers OWL of us, including LGBT+ friends and family.
