We hope you have fun and get creative with this call to action. "Postcard" style calls to actions are a creative & effective way to make our voices heard. It's election season and now couldn't be a better time to get louder and more seen. Keep an eye out for those pens in DC. We have more good trouble in store focused on The Equal Rights Amendment.

P.S. We would love to see your pics & how the party turned out!
